DNA Quality Life Performance™ for Executives

*Discover your Financial DNA to Build a Quality Life through:
Maximizing Your Human Potential • Making the Right Choices • Building Your Relationships • A Customized Financial Planning Experience*

Program Overview

The DNA Quality Life Performance Program is a uniquely structured program for executives to transform their personal, financial and career performance using a unique Quality Life Performance Planning Model with a human behavior foundation. The outcome will be to help you create the time to achieve your Quality Life Goals and build a sustainable career.

You will experience the six pillars DNA Quality Life Performance while being facilitated through the internationally recognized series of Financial DNA profiles and application tools. Discover your unique financial personality - your "Financial DNA" and start more confidently making the right life, financial and career choices based on your life purpose.

DNA Quality Life Performance Program Structure

- Pre-course work consisting of completing Financial DNA Profiles by the participant.
- Facilitation through four 1.5 hour meetings with a Certified Wealth Mentor, or participate in a 2 consecutive days group workshop
- A Certified Wealth Mentor will facilitate you through all six pillars of DNA Quality Life Performance to build your unique Quality Life Performance Plan.
